

May 8, 2012

To Whom It May Concern:

This letter serves notice that Liquid Transport Corp (LTC) has been, and is, in compliance with the U.S. Department of Transportation requirements for security and training as outlined in 49 CFR Part 172, subpart I and 49 CFR sections 172.704 (a)(4) and (5) (Docket HM-232).

All LTC employees and independent contractors are required to comply with the LTC Security Plan and assist LTC, our customers, law enforcement, and the public by vigilant efforts to implement stringent security measures.

The elements of the LTC plan include

- Personnel Security
- Unauthorized Access
- En route Security
- Training

LTC's security plan requires extensive background checks on all employees and contractors including criminal and security screening.

Also as an active *Partner* in the *American Chemistry's Council's Responsible Care* organization, LTC has confirmed our compliance to the *Responsible Care Security Code* as part of our *Responsible Care Management System (RCMS)* audit in December 2007 when we were formally certified as *Responsible Care Partner*.

Sincerely,

Joel Paska  
Director of Safety
